We won't give up....

Heat and shelter are luxuries that should never be taken for granted. The Mid-Michigan area has one of the **highest unemployment** rates in the state and remains one of the most **economically disadvantaged.** This is an ongoing issue for our community. **EightCAP, Inc.** will hold its 8th Annual Walk for Warmth this February and **The Barren Dash** hopes to help make it a record breaking year. The funds raised at this year's Barren Dash Event will be used to help out neighbors who've fallen on hard times and need assistance in keeping their families warm.

...If you don't give up!!
